LIVE WELL. SPEND LESS. DISCOVER NATURAL VALUE.

We think that a healthy lifestyle should be affordable for everyone. We developed Natural Value because we felt that we could find and deliver premium quality natural and planet-friendly products to the marketplace in a more efficient and cost-effective manner. To that end, we've managed to streamline the distribution process and lower the cost of living well. Our goal is not to woo Wall Street with large profit margins. It is to reward your commitment to living responsibly with lower prices on natural products. We prefer a business model where everyone, including you, profits.

NATURAL WAXED PAPER PRODUCTS

LIVE WELL. SPEND LESS.

Our Natural Waxed Paper and Waxed Paper Bags are unique products that are both ecologically sound and incredibly useful.

Totally unscathed by any sort of bleaching process, the natural brown color of our Natural Waxed Paper and Waxed Paper Bags is reminiscent of a kindler, gentler era. But don't let the "old-fashioned" look fool you, our Natural Waxed Paper is great for use in the microwave and is the most ecologically sound food wrap available.

And the 2 3/4" pleat of the Natural Waxed Paper Bags makes them the perfect choice for packaging everything from your heartiest sandwich creation to a handful of crispy fresh carrot sticks to individual cookies and muffins. Live well. Spend less. Feel good about the little things you do to make the world a better place.
